The Court orders that the motion for reconsideration is DENIED. As stated in this Court's April 14, 2020 order in this case, and in this Court's January 8, 2020 order in Docket No. 351998, plaintiff has an alternate adequate legal remedy in that it may challenge the December 2, 2019 order by filing a delayed application for leave to appeal under MCR 7.205, provided such a filing meets all requirements under the court rules and is not time-barred.
